Effective September 20,

© 2016 Charter Communications. Programming is subject to availability in your area and the video package to which you subscribe. Channels, Tiers and Packaging subject to change. Services not available in all areas. Charter issued digital receiver or CableCARD required to view programming channels. Charter issued digital receiver required to view PPV and On Demand programming (where available). HD capable equipment required to view HD programming (where available). All programming may not be available to CableCARD or Digital Termination Adapter customers. All service levels may contain channels with some R-rated programming, which can be blocked using the Parental Control feature on your on-screen program guide.

Due to system technology enhancements in a switched digital market, access to certain digital channels will require a receiver, as HDTVs equipped with CableCARDs cannot access certain
