BOARD MEETING NEWS

TOPICS DISCUSSED AT THE SEPTEMBER 25TH BOARD MEETING :

- FALL GARAGE SALE
- FALL TREE TRIMMING BID APPROVED
- CITY CELEBRATION

NEXT BOARD MEETING

October 23, 2019

5:30 p.m.

Westlake Village City Hall
Community Room

All members are welcome to attend and are not required to arrive at the start time. Agendas are available on the Lakeshore website 4 days before a meeting date.

GARAGE SALE TIME

It's that time again— time to clean out your closets and get ready to make some serious money!

The neighborhood garage sale will be held on Saturday October 19, 2019 (Saturday only).

POOL HEAT UPDATE

The pools received a lot of use this summer and we'd like to thank our Pool Committee members for their hard work and dedication in ensuring the upkeep of the pool areas! The pool heat will be turned off on Oct.31, 2019 .

Please remember that if you move chairs or tables around to put them back in their original location. Also, please remember to close umbrellas before leaving the area so they don't get blown around during the Santa Ana winds. **Winter Pool Hours are 8:00 a.m. to 5:00 p.m.**

WESTLAKE VILLAGE CITY CELEBRATION

The City Celebration is an annual day-long event that brings the community together at the Westlake Village Civic Center.

This year marks the 17th year of the event and the collaborations with four non-profit organizations and local businesses. Featuring exciting local performances, delicious food, electronic waste collection, document shredding collection, and the popular White Oak Elementary Family Festival, the Westlake Village City Celebration truly offers something for residents of all ages and interests.

The 2019 City Celebration is scheduled for Saturday, October 19th from 3:00 PM - 8:00 PM.

For more information, please go to:

<https://www.wlv.org/229/City-Celebration>

WLVCITYCARE

Did you know that your City has a site for reporting maintenance issues? Fallen trees, broken water mains or sprinklers, pot holes, graffiti, street light outages, animal control, abandoned vehicles, noisy construction or gardeners after hours or Sundays, the municipal code, etc.

Type the address for the City, see below, into your browser and open the page. You can then save the site in your bookmarks or favorites for when you need it:

City of WLVC web site address:
www.wlv.org

Click on the "RESIDENTS" tab and then click on "**CityCare**". If you don't see your topic on the list type it into the "Looking For Information" search box next to the menu.

LAKE SHORE NEWS

STREET SWEEPING

Leaves are falling in Lakeshore and most of them will eventually end up on our lanes. Moving your cars off the roadway on Thursdays is especially important from now until the first of the year. We usually see the sweeper in Lakeshore every Thursday between 10 and 2 except for holidays when they sweep on Friday.

If you have visitors or tradesmen please ask them to park in the driveway. If street parking is necessary please sweep the gutter debris to twenty feet ahead or behind the parked vehicle. Or just pick it up and put it in the trash.

Any leaves or debris on our streets that can't be swept up will eventually end up in our lake. Thank you for helping to keep up Lakeshore's wonderfully pristine appearance and keeping our lake healthy.

SATELLITE TV DISHES

We have seen a recent increase in satellite TV dishes in Lakeshore. While old multi-element dipole exterior antennas are prohibited we do allow satellite dishes.

As with all exterior changes to homes in Lakeshore an architectural application is required. Often the installer will choose the easiest location rather than the least intrusive location. Therefore the Association must approve the installation location before hand.

Lakeshore Architectural Rule 3.5, **Satellite Dishes and Antennas**, in addition to requiring that the installation be concealed as best possible requires painting of the dish with the same color as whatever part of the building is behind it, i.e., roof, wall.

The DirectTV (AT&T) website published the following advice for painting dishes:

Q: Can I paint the satellite dish?

A: It's okay to paint your dish if you don't use lead-based or glossy paint. Glossy paint could damage the Low Noise Block (LNB)* converter by increasing the signal reflection. You should not paint the LNB itself. *Editor's Note: The LNB is the separate electronic item attached to the dish (reflector) in the photo.

GET READY FOR THE 2020 CENSUS

Please be advised that Census takers have started walking in some of the neighborhoods. This is a normal part of preparations for the 2020 Census.

Also, Census Bureau employees will be in the community collecting information for the American Community Survey and other ongoing surveys. If someone is visiting your home, first make sure they are a registered census taker by doing the following:

First, check to make sure that they have a **valid ID badge, with their photograph, a U.S. Department of Commerce watermark** (with expiration date).

If you still have **questions about their identity, you can call 800-923-8282** to speak with a local Census Bureau representative.

By April 1, 2020, all homes will receive an invitation to participate in the 2020 Census. The best way to avoid a follow-up visit from a census taker is to **fill out the 2020 Census questionnaire online, by phone, or by mail** as soon as you receive your invitation to participate.

You also may be asking yourself, why should I participate and take the time to respond?

Everyone living in the United States, Puerto Rico, American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, and the U.S. Virgin Islands is required by law to be counted in the 2020 Census. Why is the census so important? **The results are used to determine how much funding local communities receive for key public services and how many seats each state gets in Congress. State and local officials also use census counts to draw boundaries for congressional, state legislative, and school districts.** And while you are required by law to participate, **the Census Bureau is also required by law to protect your answers.** Your responses are used only to produce statistics.

The Census Bureau does not disclose any personal information. For more **information and helpful tips**, please visit : <https://2020census.gov>
