Lakeshorecommunityhoa.com

## ELECTION TO “OPT OUT” OF APPEARING ON MEMBERSHIP LIST (Including Email Address)

TO ALL LAKESHORE HOA MEMBERS:

Pursuant to Section 5220 of the Civil Code, as record title owner of the above-described Property, and as a member of the Lakeshore HOA, **I hereby notify you of my election to “opt out” of providing my name, property address, mailing address, and email address to members who request a copy of the Association’s membership list.**

The California Legislature passed several new laws affecting homeowner associations which will go into effect on January 1, 2020. **One new law will require that the association’s membership list contain email addresses and not just residence addresses.** Any member has a right to request a copy of the membership list. This raises privacy concerns especially for those who do not want such information to be made available to all Association members. **Effective January 1, 2020 we will have to disclose your contact information including your email address, unless you notify us in advance that you want to “opt out” of having your name and contact information appear on the membership list.**

**This election to opt out shall remain in effect until such time as I notify you of my decision to rescind the directive.**

If there is more than one record title owner of the Property, this notice is given on behalf of all such owners. I certify that they have authorized me to submit this election to “opt out” on their behalf.
