The Lakeshore Community Picnic is back!!! Come on out and enjoy the cooler evenings catching up with your friends and neighbors on **Saturday, September 24, at 3rd Beach from 5:30pm to 9:00pm.** There will be a DJ to rock out to! Bring your own food and nonalcoholic beverages. Also, bring chairs or blankets for sitting on and your dancing shoes. Come on down and catch up with old friends and meet some new ones!! Please clean up after yourselves.

DID YOU KNOW?

At \$310 per month, Lakeshore has one of the lowest monthly HOA dues in the area. Do you know what it covers? Upgraded cable package which includes Showtimes and hi speed internet, trash, common area landscaping (including greenbelts) 3 beaches and docks, 3 pools, paddle tennis court and patrol service. That's a whole lot of awesome for the lowest dues around!

Thank you to our great security team, Secural Security for the outstanding work they have provided our community in maintaining the security and safety of Lakeshore.

BE VIGILANT

This is a reminder that although we live in a beautiful and relatively safe area, we still must be vigilant and lock our vehicles, doors, close garage doors, etc. Additionally, please be aware of your surroundings, and any suspicious vehicles or people that you may feel should not be in your neighborhood. We encourage you to be proactive and **call the Lost Hills Sheriff's Department (818) 878-1808** if you see anyone or anything (including solicitors, workers, vehicles, etc.) that appear suspicious to you.

VOLUNTEERS NEEDED

The Lakeshore Architectural Committee is looking for volunteers with architectural experience to assist with reviewing architectural plans. As a committee member your hard work and commitment helps maintain both the beauty and property values of our lovely community. Email Dee Jenkins: djenkins@emmonsco.net if you would like to serve on a committee.

RODENTS

Are you seeing more rodents than usual? Are you not seeing any at all? The Board is doing research on making sure our current pest control is doing their job and making sure we capture the most rodents we can so you don't have to! If you are seeing any areas where there have been more rodents than normal, please let us know! It helps!

WILDLIFE REMINDER

There have recently been sightings of coyotes and an occasional bobcat in the areas. Please remember to be vigilant at all times when walking through the community. Do not keep your animals out in the evening and stay with them even for a few moments when in your rear yard. We share this beautiful area with our wildlife so remember to stay alert and keep your distance.

For Communities:

Find out what kinds of disasters, both natural and man-made, are most likely to occur in your area and how you will be notified. Contact a nearby Citizen Corps Council for help with emergency planning, or work with your local government and emergency management office to help start a Council in your area. Visit citizencorps.gov to find local Councils in your community. Visit www.ready.gov for more information.

DID YOU DROP SOMETHING?

Dog poop is a serious health problem. Why? It contains disease-carrying bacteria that can make people and pets sick and it will also end up polluting our lake.

Please carry a bag or utilize the dog station bags to pick up after your dog. You may have noticed that to keep our community looking its best, Lakeshore has strategically placed bag dispensers and trash receptacles on our property. Lakeshore residents and also many visitors walk pets on our paths and greenbelts. If you observe people without a doggie bag we would appreciate it if you would make them aware of the bags that we provide for those who come unprepared. Please make sure you properly dispose of bags.
